

March Calendar Printables

Who God Is- The Names of God

Color by Day- Use the color key to color your March printables. for each verse you read. Color the numbered letters for each day of the month with the color choices above or create your own color key. When you get to the double digit days of the month such as 10-31, combine those two number's colors.

Example: On the 31st, you will color the Y in Almighty which is numbered 31 with red and yellow. Color the rest of the printables with your creativity! But most importantly, remember Who God is. Carrie and Nina- Forget Him Knot
